Behaviour Recovery Programme

- ▶ Please refer to the Flow Chart outlining the process

On-line Safety

- ▶ This is a real priority - particularly as we are often faced with incidents that could potentially place children at risk.
- ▶ Previously we have offered workshops that have been poorly attended. In order to keep all our parents informed, we will be including updates in future events e.g. class assemblies.
- ▶ In the meantime please take an on-line safety leaflet for information. Please take time to watch the links as they are very informative.
- ▶ The best advice is to always be the POS (parent over shoulder) so that you are fully aware of your child's online activity. From experience most of the incidents have occurred when the child has been left to access their devices when not in the presence of a parent/carer.

Attendance and Punctuality

- ▶ During the last few years, the overall attendance of our pupils has declined.
- ▶ Our attendance target is 96% which takes into account the fact that pupils are occasionally ill.
- ▶ However, there is a growing number of pupils who are not attending school on a regular basis and have poor attendance. We need you to work with us to improve our attendance overall.
- ▶ Only 45 pupils out of 361 currently have 100% attendance (12%). This is our lowest figure ever.
- ▶ Please note that holiday leave during school term is not authorised.
- ▶ Punctuality is also very important to ensure the best possible start to the day so that no learning is missed.
