Question cards

## Instructions:

2 - 4 players.

- The player who rolls the highest number will go first.
- Each player will roll the die, and pick up the matching question card. The card will be returned to the bottom of the pile.
- If answered correctly, they will score a point. If answered incorrectly, no points will be scored.
- If a yellow mystery card is landed on, the player will perform the task and score a point.
- The winner is the player with the most points.
