

# Mystery of the Colour Thief

JOIN THE RESISTANCE

1 The time of the year was 1970.

2 Lou is a girl.

3 A man from Diz's nightmare

1. Milo is Diz's dog. He was keeping like a maniac trying to catch a vole in the garden.

2 Yes, because when he arrived at school, the bell had gone and he walked into the empty entrance hall.

3 Yes it is a cold day because Diz's ears ached inside from the sharp nip in the early autumn air.

1. The word in the text that means radiating light is street lamp.

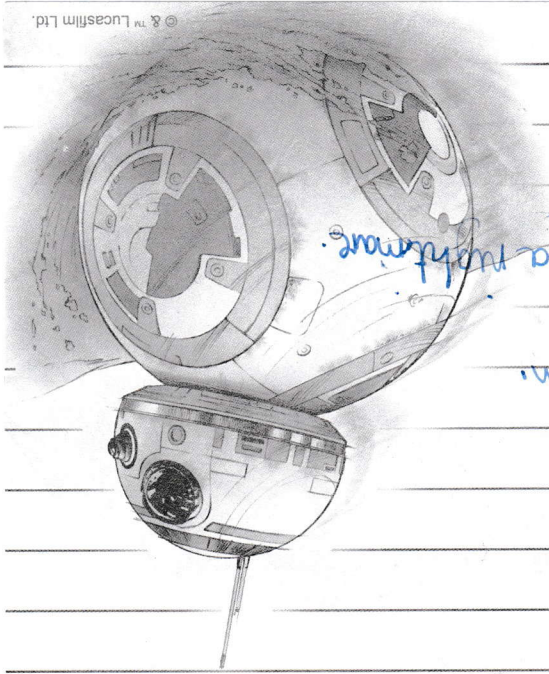

2 The word in the text that means to gather in a close group is cluster.

3 'In sync' means at the same time

4 He reached the entrance of the school.

5 The metaphor 'as my heart was a drum.'

6 He was relieved when he realised it was a nightmare.

FIRST ORDER

Aberrations - The beast Awakens

Deceit - something very old. Broken-down.

Bugs -

Malevolent - Evil

1. Craggy was in a darkening collar.

2. His mother has been dead for almost a year.

3. No, he wanted to stay there, with the memories of his dead mother and dead brothers.

1. Craggy lived in the collar since his mother died. There was no good on the cupboard anymore.

2. Shadow's sister slowly towards him.

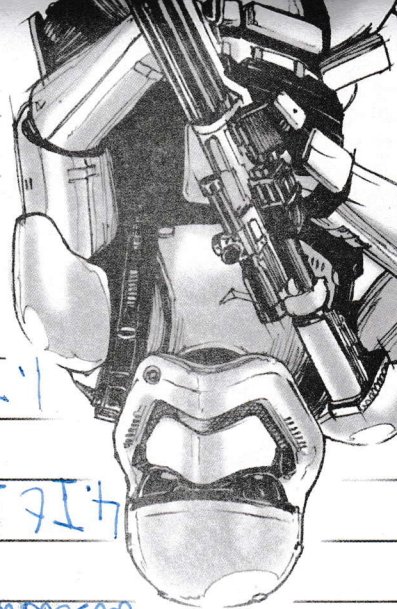

He hears his brother whispering.

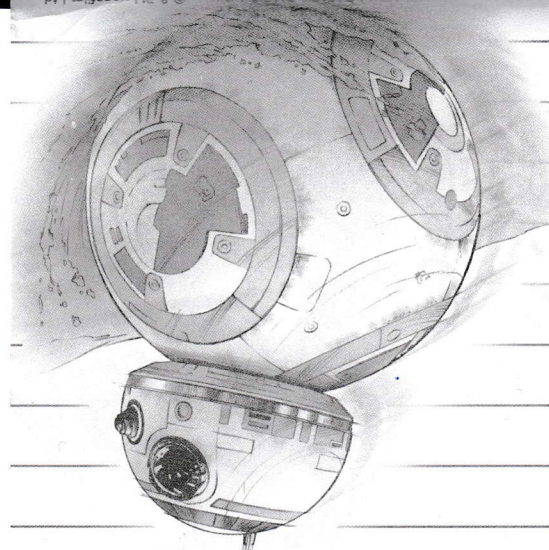

He placed his ears close to the gravestone.

3. A. porter spell that instantly sent objects over long distances.

4. It is midnight because it is dark in the cellar.

1. The word that means or place of safety is refuge.

2. Because it is like a sound.

1 The word that means turned quickly is whipped.

4 They are wheeled, talking robots.

3 It suggests that the story is Science Fiction

2 Forward - Bots, metal hand and scanner.
