What is Equality?

The term 'equality' does not simply mean treating everyone the same. It means understanding and tackling the different barriers to equal opportunities for different groups of people.

Statement of Equality

1. We do not discriminate against anyone who has a protected characteristic in school or in our wider community. This includes all visitors to our school.
2. We actively teach pupils about equality through our curriculum and through our ethos and expectations, e.g. assemblies, Circle Time.
3. We ensure that all pupils have equal access to the full range of educational opportunities provided by the school.
4. We ensure that all recruitment, employment and promotion is carried out in accordance with best practice.
5. We challenge personal prejudice and stereotypical views whenever they occur in formal and informal settings.
6. We take action when any of the above may have taken place in our school.
