British Values and PSHE

British Value: Mutual Respect, Rule of Law

British Values

We understand
and respect the
roles of people
who help us.

We are incredibly lucky to have people who give their time to help us.

Some of these people help keep us safe:

Some people help us learn:

A **dentist** helps us by teaching us how to look after our teeth.

A **nurse** helps us by teaching us about how to keep ourselves healthy and have a healthy diet. They also give us our injections to keep us safe from being poorly.

Some people give their time to help keep our environment clean so we can enjoy it:

Park keepers keep our parks safe and clean for us to play in

Your English learning for
Monday, Tuesday and
Wednesday is all based on
this British Value.

MONDAY

- Pick a job where someone helps us and that you find interesting.
- Research information about:
 - What their job is.
 - If they have a uniform.
 - Do they have to train to do their job?
 - What kind of things do they have to do as part of their job?

TUESDAY

- We would like you to present your learning in one of these ways:
- A poster.
- A leaflet.
- A paragraph of writing with a picture of them doing their job.
- Can you think of a different way to present your learning?

WEDNESDAY

- Today we would like you to write a letter to the person you have chosen asking questions to learn even more about their job.
- You could ask them why they wanted to do their job or whether they enjoy it.
- There must be **LOTS** of things you would want to know!

SHARE IT WITH US!

Thank you to the children who have shared their learning with us so far- you are all super stars and we can't wait to see you back in school on Thursday!

Don't forget, until then you can send it to:
