

Thursday 19th November

Today, you will have a few different tasks to complete as you work through the slides so you will need some plain paper.

Task 1

'We must stand united against bullying in order to make change.'

Write a short passage explaining whether you agree or disagree and why.

Then explain What changes we need to make to unite against bullying.

Task 2

Continuing with your previous passage or writing, answer the following questions:

Whose responsibility is it to tackle bullying?

Does it go beyond school/teachers/students?

Are we doing everything we can?

What more could be done?

We are all unique, and by uniting,
it doesn't take that away from us, it
simply makes us stronger.

We have more power to overcome
injustice and adversity when we join
together.

Task 3 - you will need some plain paper.

Write down three different things that make you unique. That make you YOU.

These could be words or short phrases. Think about (but not limited to) your taste, experiences, appearance, personality traits.

Create a poster displaying these 3 unique qualities you have. Ensure it is bright, vibrant and creative.
