17th December 2020

Dear Parents/Carers,

I would like to make you aware of the arrangements for reporting positive COVID-19 cases over the Christmas period.

Ordinarily we do not expect communication from parents during the school holidays, but due to the current situation we urge you to keep us informed of any COVID related symptoms and/or tests. We have outlined the details below.

- From **18th to 21st December** if a pupil presents with symptoms and/or tests positive for COVID-19, please inform school using the following email address:
 - office.admin@perryfields-pri.sandwell.sch.uk
- This will enable us to identify close contacts and give advice regarding self-isolation.
- From **22nd to 24th December** if a pupil tests positive for COVID-19 having **developed symptoms from 18th to 21st December**, please still inform school and NHS Test and Trace will contact you regarding the positive result.
- If a pupil tests positive or develops symptoms **after 24th December**, please do not contact school. The NHS Test and Trace will take over with contact tracing.
- If your child either has symptoms or is self-isolating which means they cannot return to school on **Tuesday 5th January**, please let school know on **Monday 4th January**.

Yours sincerely,

MRS. T. L. JONES

Headteacher
