“There is always enough light for the one who wishes to see”

Dear Parents/Carers,

We would like to start by saying a big ‘THANK YOU’ for all the hard work being put in by both pupils and families during these unprecedented times. As ever, we are grateful for your support and the quality of work all children have been producing has been remarkable.

Praise Assemblies

Well done to all our pupils who received Praise Certificates for ‘Courage’, ‘Collaboration’ and ‘Remote Learning’!

Amazon Book List

We are in the process of developing our school library and the selection of reading books available for the children. We appreciate that these are difficult times and funding this year is tighter than ever. If you are able to help develop our new library, this would be very much appreciated. We have set up a Wish-list on Amazon, from which you can select the books you would like to give and have them sent directly to the Library. If you have any of the books listed and they are in good condition for other children to read, we would be more than happy to receive them.

A donation ‘plate’ will be fixed inside the book to acknowledge your gift.

Remote Learning

Like yourselves, we as a school were unfamiliar with remote learning and Teams lessons before the pandemic made them necessary. As such, it is a learning curve for all concerned. We appreciate there have been ‘teething troubles’ for some families, but trust we have been able to rectify these suitably.

Wellbeing

For those children who remain at home during this national lockdown, to help with their wellbeing all classes are regularly meeting up via the Teams application. This is in addition to the live lessons.

Assemblies

We will be introducing whole school assemblies to take place on Wednesdays at 2.30pm. This will be an opportunity for the whole school to come together whilst having to spend time apart.

Yours sincerely,

T L Jones
