Growing and Learning Together

Our Mission

To provide a rich, inspiring and engaging environment to develop lively, enquiring minds and confident communicators.

Our Vision for Learning

Our school community works together to ensure that pupils receive a rich, inspiring and engaging education. Every child is taught the knowledge and skills to become independent lifelong learners, aspiring to all standards of high achievement in all aspects of their life.

Curriculum Statement

At Perryfields Primary School our curriculum is designed to inspire enthusiasm for learning, to ensure achievement and to support pupil well-being and happiness. We provide first hand learning experiences that encourage pupils to develop interpersonal skills and build resilience. Our cross-curricular approach enables pupils to make meaningful links with their learning.

At Perryfields Primary School our ambition for all pupils is to succeed in being ‘The Best They Can Be.’ In order to achieve this we will...

- Provide quality lifelong learning experiences across all subjects and areas of learning.
- Through inspiring themes and topics, cover a broad and balanced range of subjects, which are suitable for all pupils in a meaningful and purposeful way.
- Provide cross-curricular learning experiences centred on knowledge and skills, structured towards real purposes or outcomes that involve parents, carers and the wider school community.
- Ensure the locality of the school plays an important role and takes into full account the pupils’ backgrounds and how they can best be prepared for future life and for the next stage of their learning journey.
- Aim to provide an inclusive, challenging and engaging curriculum, as a means to address social disadvantage and SEND pupils, irrespective of starting points, where all pupils are encouraged to have a ‘Growth Mindset.’
- Plan and deliver frequent opportunities based on the application of reading, writing and maths for challenging learning, which is exciting, engaging and fun and includes visitors, visits, enrichment activities and enterprise events.
- Ensure that all of our pupils reach their potential, have respect for people of different faiths and cultures and are suitably equipped for their future lives in society.

- Celebrate our school identity through the unique experiences that our curriculum provides by developing a rich and varied menu of enhancement opportunities to engage learning and recognise individuality.
- Provide and acknowledge success for all pupils, in all aspects of their development and recognise, encourage and celebrate all types of talent.
- Ensure that our curriculum enables us to build strong relationships, celebrate diversity, encourage respect and build a sense of community.
- Promote positive attitudes, which reflect both the school's values and skills needed for future successful learning, through PSHE lessons, assemblies, Building Learning Power.
- Encourage teamwork and responsibility by enabling pupils to take on key roles, becoming involved in the community, through celebration of local traditions, learning new skills and enabling them to take an active part in events throughout the year.

Ultimately, pupils will leave Perryfields Primary School as resilient, resourceful, independent individuals, fully prepared for the next phase of their learning journey and beyond.
