Our Vision for Learning

What is a Leading Parent Partnership Award?

The Leading Partnership Award (LPPA) is a nationally recognised award that schools achieve when they have met ten clear objectives. An external agency assesses and verifies the ten evidence based objectives before awarding the LPPA to the school.

Here at Perryfields we pride ourselves on achieving this national award in 2018 and 2022. It has helped us develop whole school strategies that enhance the outcomes of our pupils and offers long term benefits such as improved pupil attendance and learning behaviour.

The award helps us to work in partnership with all parents and carers, increasing parental participation in school life which helps to improve pupil progress, punctuality, attendance and behaviour. The framework encourages parents to be involved in their children's learning leading to improved outcomes in all aspects of school life.
