

Perryfields Primary School - Physical Education and Sports Premium Strategy 2022-23

Website Reporting Statutory Statements:

Over the last three years there has been a significant increase in our Year 6 children being able to swim 25m. Summer 20/21 assessments were not undertaken due to COVID.

2020/21	2021/22	2022/23
N/A	77%	86%

This current strategy accounts for £19,314 of the £19,314 Perryfields 2022-2023 Sports Premium Allowance.

Purpose of funding: - Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Vision: - All pupils will leave Perryfields Primary equipped with the knowledge, skills and understanding to lead a healthy and active lifestyle, both physically and emotionally.

Objectives:- To achieve our vision, the following must be considered/encouraged:-

- The engagement of all pupils in regular physical activity
- The profile of PE being raised and highlighted as being a Core Subject
- Increased knowledge and skills of all staff to deliver good quality PE lessons
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport (CT released to lead on this – internal and external competitions)
- How sports premium improvements will be sustained

Accountability:-

From September 2013, schools will be held to account over how they spend their additional funding. Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Funding:-	22/23
Unspent from 21/22	£0
22/23	£19,314
Total available	£19,314

Key indicator 1: The engagement of all pupils in regular physical activity

Key developments	Actions and strategies	Dates	Cost	Evidence and Impact	Sustainability
